

# Parent Partnership

## We're With You, Every Step of the Day

Because parting ways is never easy but staying connected makes it better.

### Dear Families,

We know goodbyes at drop-off aren't always easy. You're trusting us with your little one's day and that means the world to us.

That's why we use Parent App to keep you connected, reassured, and informed from the moment your child arrives to the moment they head home.

## Here's how we keep you in the loop:

### Real-Time Updates & Messages

From nap times to new words, we'll keep you informed with real-time updates so you always feel connected to your child's day.

### Photos, Videos & Media

We'll share snapshots and clips from their day, helping you stay close to their milestones and learning, even when you're apart.

### Accident & Incident Reports

If anything happens, we'll notify you right away with clear details and full transparency, so you're never left wondering.

### Check-In / Check-Out Notifications

You'll receive alerts when your child arrives and leaves, giving you real-time reassurance from drop-off to pick-up.

### In-App Payments & Reminders

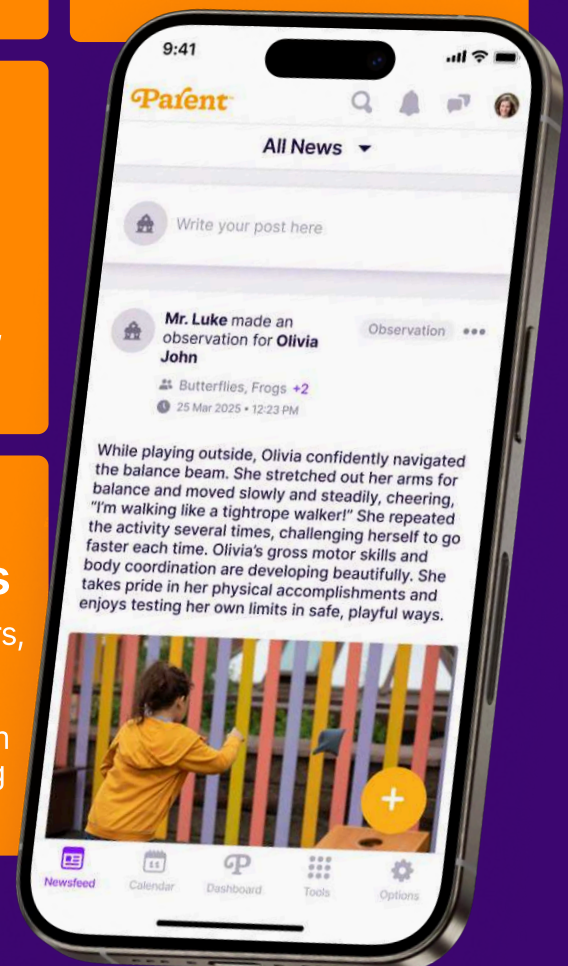

Stay on top of fees with secure in-app payments and automatic reminders. No paperwork, no surprises, just peace of mind.

### Event & Meeting Reminders

You'll receive reminders about upcoming centre events & parent meetings, so you never miss a moment, celebrate, or engage with your child's learning.

### Observations & Learning Journeys

As your child's first educators, we regularly share observations and insights. You can also contribute from home, keeping their learning journey collaborative.

## Home—Centre Partnership

We believe that your involvement doesn't stop at drop-off and neither does our support. When families and educators work together, children feel it. That connection builds trust, strengthens relationships, and helps your child thrive.

## Policies & Procedures

Taking time to read our centre's policies helps us stay on the same page. It ensures a consistent experience for your child and allows us to work as true partners in creating a safe, nurturing environment.

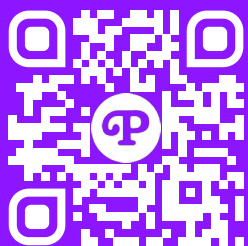

## We believe communication builds trust.

And when you can see your child's day unfold, wherever you are, that trust only grows.

## Thank you! for letting us be a part of your child's journey.

We're honored to be by your side.
